

# BAND-IT<sup>®</sup>

## Cable Bundling

Fire Hazards... Corrosive Environments... Temperature Extremes... For many Cable Bundling Applications, plastic ties are simply inadequate - or even dangerous. For this reason, BAND-IT offers many styles of stainless steel cable ties including BAND-IT<sup>®</sup> Ties, Multi-Lok Ties, Ball-Lok Ties, and Tie-Lok<sup>®</sup> Ties for all your cable management needs.

### BAND-IT<sup>®</sup> Ties

### Ball-Lok Ties

### Multi-Lok Ties

### Tie-Lok<sup>®</sup> Ties

### Easy Read Identification

Ball-Lok Ties are used to secure cables in cable trays.
