

# **BAND-IT®**

Engineered Fastening Solutions

## **SAVE UP TO 50%**

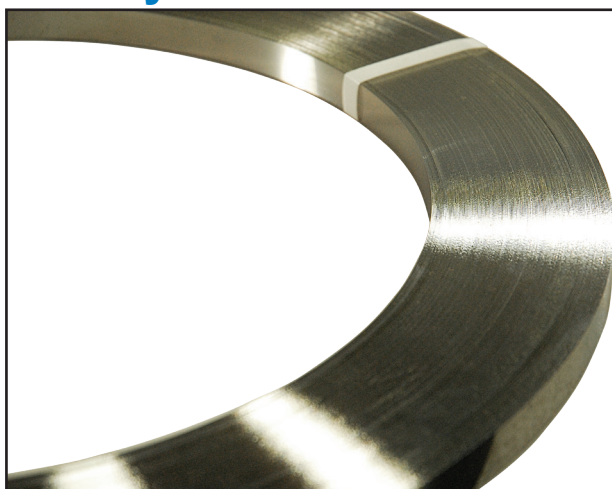

**On Material Costs Using ZERON® 100**

(A cost effective banding alternative to Alloy 400, Alloy 625, & Other High Nickel Alloys)

### **BAND-FAST®**

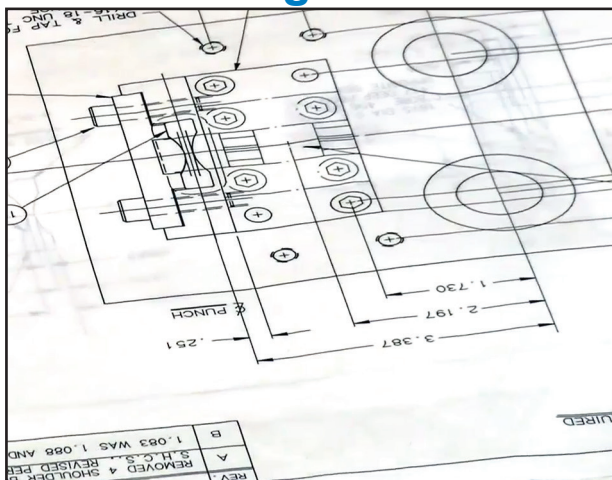

### **Safety Coils & Wide Coils**

### **Crimp Seals**

### **Custom Engineered Fastening Solutions**

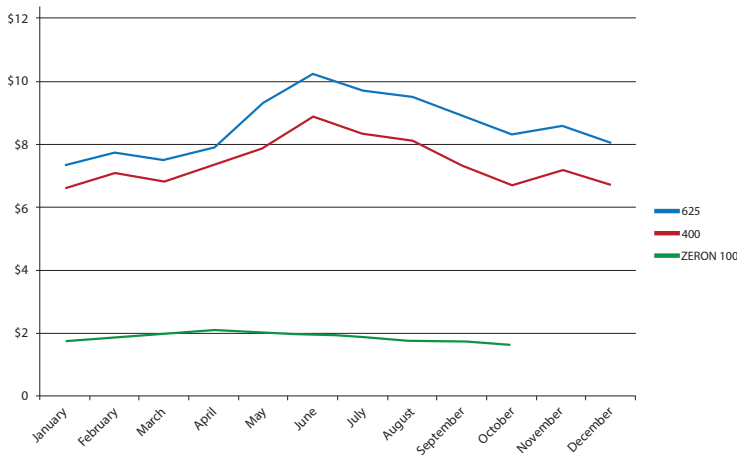

### **Oil & Gas Banding Attachment Uses**

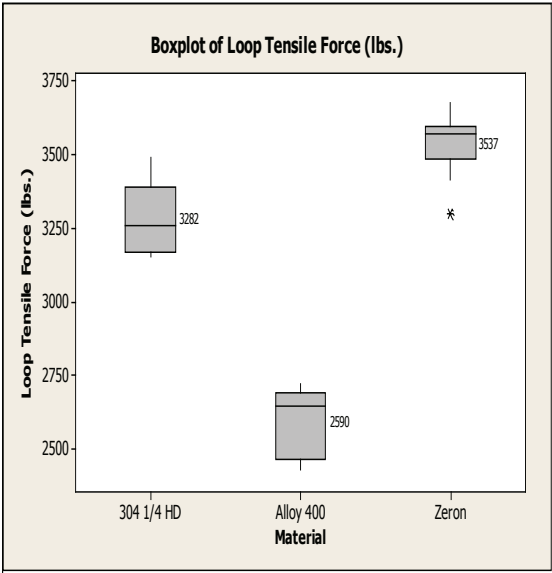

- Strakes • Fairings • Piggyback Blocks • Cables • Pipeline
- Hoses • Custom Engineered Fastening Solutions • Artificial Lift • Insulation

## ZERON® 100 Prices Are Stable vs. High Nickel Content Alloys

## ZERON® 100 Band Strength Outperforms Common Oil & Gas Band Materials

## ZERON® 100 Material Ensures Superior Corrosion Resistance
