

BAND-IT

THE ULTIMATE FASTENING SYSTEMS

NATO STOCK NUMBERS (NSN) FOR MILITARY APPLICATIONS

BAND-IT is an Approved Manufacturer for NATO & US Federal Government Contracts.

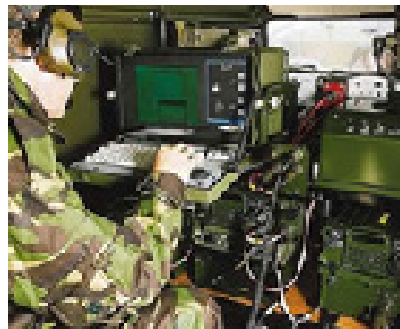

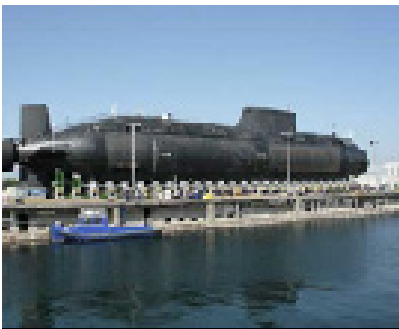

The manufacturing facilities for BAND-IT in the US and the UK are "CAGE" (Commercial and Government Entity) and NCAGE (NATO Commercial and Government Entity) listed, meaning that the products produced in those facilities can be used in military applications.

For over 50 years, BAND-IT products have been specified and used for military applications including ships & submarines, aircraft, vehicles, weapons, and telecommunication equipment. Many of our products have been assigned NATO Stock Numbers and independently tested for use in military applications.

EXAMPLE PRODUCT APPLICATIONS

- *Stainless steel band and cable ties for cable attachment on submarines, warships, & support vessels.*
- *EMI/RFI on telecom equipment, military vehicles, aircraft.*
- *JUNIOR® Clamps for missile battery attachment and sonar equipment clamping.*
- *Tie-Lok® ties to secure fragile fibre optic cables.*

BAND-IT has a strong history with the Military / Aerospace Industries and manufactures the best fastening solutions that reduce risk and maximise performance in order to produce the necessary longevity required by our customers for sustainable value. We use high quality materials and test during every production run to ensure our designed solutions perform to their specific application standards.

EXAMPLES OF CAGE CODE / NSN NUMBER LISTINGS

CAGE	Address	Type	Status
U4738	SPEEDWELL INDUSTRIAL ESTATE, STAVELEY CHESTERFIELD, S43 3PF, UNITED KINGDOM	E	A
3BBM2	4799 DAHLIA ST, DENVER, CO, 80216- 3222, UNITED STATES	A	A
70847	4799 DAHLIA ST, DENVER, CO, 80216-	A	A

MFG SKU	NSN	Item Name	Details	CAGE Code	RFQ
C133	5340-01-541-3103	Strapping	Length: 30.5 meters nominal III Part Name Assigned By Controlling Agency: Band and buckle system Width: 9.530 millimeters nominal	70847	
C202	5340-00-497-5401	Strapping		70847	<small>Quote</small>
C203	5340-00-469-3537	Strapping	Width: 0.375 inches nominal Material: Steel, corrosion resisting Thickness: 0.025 inches nominal	70847	
C204	5340-00-245-9438	Strapping	Length: 100.000 feet nominal Width: 0.500 inches nominal Material: Steel, corrosion resisting	70847	<small>Quote</small>
C206	5340-00-245-9440	Strapping	Width: 0.750 inches nominal Thickness: 0.032 inches nominal Length: 100.000 feet nominal	70847	

RECOMMENDED PRODUCTS

BAND-FAST®

Coated with Low Smoke Halogen Free PPA571, these pre-assembled 316 stainless steel clamps are easy to install and offer excellent resistance to shock / vibration / temperature / UV / fire / short circuit, without requiring additional cushion sleeve.

BALL-LOK®

With a low profile self-locking buckle, these ties are quick and easy to install for low to medium duty cable management applications. Manufactured from 304 or 316 grade stainless steel, they offer excellent corrosion / temperature / UV / fire resistance.

VALU-STRAP™

Used in applications from cable management to strapping and bundling, this economical stainless steel coil band is available in several widths and is flexible, strong, and fire resistant.

BAND-IT JUNIOR®

Available in a wide range of sizes, Junior Smooth ID Clamps feature a unique buckle nest and a vibration resistant lip lock that doesn't require hammering or crimping. Used for hose, sonar, and fire sleeve applications.
